## **TOWN OF COTTAGE GROVE STRUCTURE FIRE – HWY BB**

TOWN of COTTAGE GROVE – Shortly before 10:00 pm on Monday, September 14<sup>th</sup>, Cottage Grove Fire Department was dispatched for reports of a structure fire on Hwy BB near Baxter Rd. As the first arriving engine approached the scene, heavy smoke and fire conditions were observed coming from a 2-story single family residence at that location. A box alarm was immediately called and mutual aid resources were provided from Cambridge, Deerfield, Marshall, McFarland, Monona, Stoughton and Sun Prairie Fire Departments. Deer-Grove, Marshall and Fitch-Rona EMS provided rehab and medical care for responding firefighters. The main fire was knocked down by 11:30 pm and crews remained on scene until 3:00 am searching for and extinguishing hot spots. At approximately 6:30 am Tuesday morning, crews were called back to the scene as the fire had rekindled in the attic area. Remaining hot spots were located and extinguished by 8:00 am.

The primary structure is considered a total loss and a nearby detached garage received minor heat damage. Several additional barns and out-buildings on the property were unharmed. The cause of the fire is currently undetermined as Cottage Grove Fire continues its investigation.

Residents were not home at the time of the fire and there were no injuries to residents or firefighters.

Thank you,

Lt. Jason Kudrna  
CGFD Public Information Officer
